Sir:

On October 1, 2007, the Examiner called the undersigned to state that a mistake had been made in the Office Action dated March 12, 2007. Specifically, the Examiner said that it was his intent for the Office Action dated March 12, 2007 to be a Final Office Action. The Examiner said that the record needed to be corrected and that such correction could be accomplished by re-sending the Response dated June 12, 2007, to the Office Action of March 12, 2007. The Examiner said that upon receiving the re-sent Response he would issue a new Office Action. Accordingly, Applicant is re-sending the Response dated June 12, 2007.

Respectfully submitted,
